The International Bureau as receiving Office (RO/IB) hereby informs the applicant that, with regard to the preparation and the transmittal to the International Bureau of WIPO of the certified copy of the earlier application ("the priority document"), PCT Rule 17.1(b) - which provides for such preparation and transmittal where the priority document is issued by the Office which, for the purposes of the present international application, is the receiving Office - does not apply to the International Bureau as receiving Office. The priority document must be established by the Italian Patent and Trademark office which is not the receiving Office in the present case.

It is therefore the sole responsibility of the applicant to ensure that the priority document is received by the International Bureau within 16 months from the (earliest) priority date.
