Dear Sir,

The International Bureau acknowledges receipt of your letters regarding the change of the agent's society.

As already discussed, the change can only be recorded upon receipt of a copy of the power of attorney in favour of the new agent's company. The information "Vollmacht wird versichert" cannot suffice in this context.

Please be advised always to send a copy of the new power of attorney together with the request under PCT-Rule 92bis.

Please note that, as the publication is imminent in the said PCT application, the former agent's data will be deleted from the record in order not to publish wrong information. The new agent's data will be recorded upon receipt of the new power of attorney (best by fax to 0041 22 338 8970). They can only be taken into consideration in the publication's front page in case the power of attorney reaches the International Bureau before the end of the preparation of publication, i.e. before the 8.6.2010.

With best regards,

Peter Wimmer
