

PCT/US2010/020004

Box No. VII (iv) DECLARATION OF INVENTORSHIP (only for the purposes of the designation of the United States of America)
The declaration must conform to the following standardized wording provided for in Section 21.4, see Notes to Rules Nos. 110, 110(b) or 110(b)(ii) and 21.4, with Notes to Rule No. 110(ii). If this form is not used, this sheet should not be included in the request.

Declaration of Invention (Rules 4.1 7(b) and 4.10b.1(a)(ii))
for the purposes of the designation of the United States of America:

I hereby declare that I am the original inventor and sole (if only one inventor is listed below) or joint (if more than one inventor is listed below) inventor of the subject matter which is claimed and for which a patent is sought.

This declaration is annexed to the international application of which it forms a part (if filing declaration with application).

This declaration is filed with international application No. PCT/... (if furnishing declaration pursuant to Rule 13bis).

I hereby declare that my residence, mailing address, and citizenship are as stated here to my name.

I hereby state that I have reviewed and understood the contents of the international application, including the claims of said application. I have identified in the request of said application, in compliance with PCT Rule 4.13, any claims to foreign priority, and I have identified those, under the heading "Prior Applications," by application number, country or Member of the World Trade Organization, date, month and year of filing, say application for a patent or invention's certificate filed in a country other than the United States of America, including any PCT international application designating at least one country other than the United States of America, having a filing date or priority date of the application on which foreign priority is claimed.

Prior Applications: US PTO Provisional Patent Application Number 611A2367, filed in the USA

I hereby acknowledge the duty to disclose information that is known by me to be material to patentability as defined by 35 C.F.R. § 1.56, including the continuation-in-part applications, material information which became available between the filing date of the prior application and the PCT international filing date of the continuation-in-part application.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made by information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application of any patent is used thereon.
