8 JUN 2010 (8/6/2010)

Applicant

Indian Institute of Science (et al.)

1. Where the International Searching Authority and the receiving Office are not the same Office:

The applicant is hereby notified that the search copy of the international application was received by this International Searching Authority on the date indicated below.

Where the International Searching Authority and the receiving Office are the same Office:

The applicant is hereby notified that the search copy of the international application was received on the date indicated below.

21 JUL 2011 (21/7/2011) (date of receipt).

2. The search copy was accompanied by a nucleotide and/or amino acid sequence listing in computer readable form.
3. The search copy was contained nucleotide and/or amino acid sequence listing or tables related thereto in electronic form.

4. Time limit for establishment of international search report and written opinion of the International Searching Authority

The applicant is informed that the time limit for establishing the international search report and the written opinion of the International Searching Authority is three months from the date of receipt indicated above or nine months from the priority date, whichever time limit expires later (Rules 42.1 and 43bis.1(a)). The Australian Patent Office as proposed as part of the Customer Service Charter is committed to establishing the International Search report and written opinion of the International Searching Authority within 9 weeks of receiving the search copy of the International application unless the application is for more than one invention.

5. A copy of this notification has been sent to the International Bureau and, where the first sentence of paragraph 1 applies, to the receiving Office.
