2. COMMUNICATION:

The attention of the International Searching Authority (ISA/EP) is drawn to the fact that the abstract of the above-identified international application is more than 150 words and is considered too long according to PCT Rule 8.1(b)

The International Searching Authority (ISA/EP) is hereby requested to provide the International Bureau with a shortened abstract.

Please respond to this notification at your earliest convenience by issuing an International Search Report with a modified abstract or by issuing a form PCT/ISA/224 with a modified abstract if the ISR cannot be issued before the completion of the technical preparations for international publication
