Dear Sirs

**International Patent Application No PCT/GB2015/051478
Dielectric materials for low voltage OFET operation
The University of Manchester**

In response to form PCT/RO/106, 'Invitation to correct defects in the international application', dated 22 May 2015, please find enclosed replacement drawings for the above application.

It is submitted that the amendments made by the Applicant bring the drawings into line with PCT regulations. However, in the event that any matters remain outstanding, the Examiner is invited to issue a further Communication, or to telephone the undersigned representative.

Yours faithfully

/Nathan Hinks/
