Title: "ANTI-SCRATCH AND PHOTOCROMIC COATING, RESPECTIVE METHOD OF APPLICATION AND USE"

Subject: Letter pertaining to amendments to the claims under Art.19 PCT, further including basis for amendments as in Rule 46.5(b)(iii) PCT

Dear Sirs,

Hereby we request amendments to the claims for the above mentioned international patent application under Art.19 PCT. For that purpose we submit a new set of claims (1-14) to replace the original set of claims (1-16).

The following amendments were made:

- Original Claim 1 is amended;
- Original Claim 9 is amended;
- Remaining claims have been duly renumbered.

Basis of the amendments under Rule 46.5(b) PCT

Amended claim 1 is based on the merge of original claim 1 and original claim 3 as originally filed.

Amended claim 8 is based on the merge of original claim 9 and original claim 10 as originally filed.

PROPRIEDADE INTELECTUAL
