IMPORTANT COMMUNICATION

INFORMATION ONLY

2. COMMUNICATION:

The "Submission of Sequence Listing and Verified Statement" filed 19 September 2016 in a sequence listing text file. The sheets containing sequence listing must be sent to the International Searching Authority (EPO). Accordingly, the sheets containing sequence listing will not be treated by the RO/US.

Since the above noted sheets were submitted to the United States Receiving Office (RO/US) instead of the European Patent Office ISA, the sheets will simply be stored in the RO/US file copy and no further action will be taken. Applicant is advised to file the sequence listing text file directly with the EP/ISA.
