Kindly note that replacement sheets/rectified sheets should be addressed directly to the Receiving office / the International searching authority and not to the International Bureau.

Since the international publication already took place and the time limit for replacement sheets/rectified sheets is now over, the replacement sheets for figures 6-8 of the drawings cannot not be taken into consideration.

However please be advised that republication of the international publication including original figures 6-8 (not replacement sheets) will take place soon. Form PCT/IB/345 was issued accordingly.
