ePCT Message:

We had filed in PCT/US017/016756 a Rule 91 request for rectification of obvious mistakes on December 29, 2017. You can see those documents in the file for this application.

We resubmitted on Feb. 13, 2018, to the attention of the ISA.

HOW DO WE GET THESE DOCUMENTS TO THE ATTENTION OF THE CORRECT PEOPLE, WHETHER THE ISA OR THE IB? DOES ePCT PROVIDE US WITH A WAY TO DO THAT?
