Dear Sir/Madam:

Applicant would like to bring to the Authorized Officer's attention that the above-identified international application as filed contains an obvious mistake in the drawings. Specifically, drawing sheet 17/66 includes the label Fig. 13A only rather than the labels Fig. 13A and Fig. 13B to identify the figures described on page 7, paragraphs [0033] to [0034], and pages 34 to 35, paragraphs [0166] to [0170], of the specification as filed.

Applicant requests consideration of this error as an obvious error under PCT Rule 91.1(b), and further, requests rectification of the error under Rule 91.1(d). Applicant submits herewith substitute drawing sheet 17/66, including the labels Fig. 13A and Fig. 13B, and respectfully requests that this drawing sheet replace drawing sheet 17/66 as originally filed. No new matter has been added.

Applicant believes no fee is due with this statement. However, if a fee is due, please charge our Deposit Account No. 28301211, from which the undersigned is authorized to draw.

The Authorized Officer is invited to contact the undersigned by collect telephone call should he/she have any questions concerning this Request.

Dated: 19 October 2017

Respectfully submitted,

By:
