

**ASSIGNMENT (Joint)**

In consideration of ten dollars and other valuable consideration received and hereby acknowledged

We, **Craig Edward Harder, and  
Paul Daniel Weber**

hereby sell assign and set over unto:

**Raptor Mining Products Inc.**

**of 18131-118 Ave NW, Edmonton Alberta T5C 1M8 Canada**

(to be referred to as the assignee herein) the entire right, title and interest in and to an invention for:

**POWER OPERATED LOCKING SYSTEM EARTH MOVING EQUIPMENT AND METHOD**

as set forth in Patent Cooperation Treaty application International Application No. PCT/CA2018/050271 International Filing Date **March 7, 2018**, to be held and enjoyed by the said assignee and the successors, assigns or legal representatives of the assignee, to the full ends of the terms for which all Letters Patent therefor may be granted, as fully and entirely as the same would have been held and enjoyed by us if this Agreement and sale had not been made.

And we hereby assign to the assignee any priority rights in the said invention as set forth in the said application and hereby authorize the said assignee to make application for and to receive Letters Patent for the said invention in any or all foreign countries in our names in the name of the assignee as the assignee may elect.

And we hereby covenant and agree that we will execute or procure any further necessary assurance of the title to said invention and Letters Patent; and that we will at any time, upon the request and at the expense of the assignee, execute and deliver any and all papers that may be necessary or desirable to perfect the title to said invention or any Letters Patent which may be granted therefor, to the assignee, its successors, assigns, or other legal representatives, and that we will at any time, upon the request and at the expense of the assignee, testify in any legal proceeding, sign all lawful papers, execute any improvement, additional, division, continuing or re-issue applications for patents for the said invention or any improvement or part thereof, make all rightful oaths and generally do all lawful acts to aid the assignee and the successors, assigns, or legal representatives of the assignee, to obtain and enforce patent protection on said applications in any or all

countries, without further compensation, but at the expense of the assignee and the successors, assigns, or other legal representatives of this assignee.

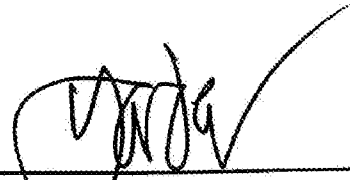

And we hereby authorize and request that any an all Letter Patent for said invention or resulting from said application or from any division re-issue or extensions thereof be issued to:

**Raptor Mining Products Inc.**

as sole assignee.
