**International Patent Application PCT/EP2018/055192**  
**"Culture Media Comprising N-Acyl-X-Glutamine Dipeptides"**  
**Contact Person: Dr. Sandra Kütterer**  
**Our reference: 2015P00018WO**

In connection with the above-mentioned PCT application we received the attached communication from the International Bureau informing us that the International Bureau has not yet received a priority document from the receiving Office.

With filing of the above PCT application, the Receiving Office (EPO) was requested to prepare and transmit to the International Bureau a certified copy of the earlier application EP 17160020.8 (09 March 2017) and the appropriate priority document fee was paid by the applicant.

We kindly ask you to check this matter.
