International Patent Application PCT/EP2018/055192
"Culture Media Comprising N–Acyl–X–Glutamine Dipeptides"
Contact Person: Dr. Sandra Kütterer
Our reference: 2015P00018WO

Dear Sirs:

In connection with the above–mentioned PCT application we noticed that we have not yet received Form PCT/IB/304.

Please note that the Receiving Office was requested to prepare and transmit to the International Bureau a certified copy of the earlier application EP 17160020.8 (09 March 2017) and the appropriate priority document fee was paid by the applicant.

We kindly ask you to let us have Form PCT/IB/304.
