For an explanation as to the reason for this republication of the international application, reference is made to INID codes (15), (48) or (88) (*as the case may be*) on the front page of the published international application.

- A copy of the international application is available for viewing and downloading on WIPO's website at the following address: <https://patentscope.wipo.int/> (in the appropriate field of the structured search, enter the PCT or WO number).
- The applicant may also obtain a paper copy of the published international application from the International Bureau by sending an e-mail to patentscope@wipo.int or by submitting a written request to the contact details provided below.

Warning: Following publication of the international application, applicants, agents and inventors may receive misleading requests for payment of fees that appear to come from the International Bureau of WIPO or other patent Offices which are unrelated to the processing of international applications under the PCT.

Agents are particularly encouraged to be vigilant and alert their clients about this practice. Examples of such requests for payment which have been received by the International Bureau can be found at: http://www.wipo.int/pct/en/warning/pct_warning.html.

Please forward copies of any such requests to pct.legal@wipo.int.
