**The receiving Office has found the following defects in the international application as filed:**

1. As to **signature** of the international application (Rules 4.15, 26.2bis(a) and 90.4), the request:
- is not signed by the applicant or, if there is more than one applicant, by at least one of them\*.
  - is signed by what appears to be an agent/common representative, but the international application is not accompanied by a power of attorney signed by at least one of the applicants\*.
  - other (specify):  
**A procuração apresentada contém várias inconsistências. A requerente Paula Gebe está com nome divergente na procuração e no RO/101. Além disso, na procuração é apontada como representante comum, além de também estar com endereço divergente do apresentado no requerimento RO/101. O mandatário Thomas Korontai também está com nome divergente na procuração e no RO/101. Na procuração está indicado como requerente, além de não ter informado o endereço. O título informado na procuração também está divergente do apresentado no RO/101.**

\* The applicant's attention is drawn to the fact that the national law applied by each designated Office may require, in connection with the processing of the international application in the national phase, that the applicant furnish the confirmation of the international application by the signature of any applicant for the designated State who has not signed the request (Rule 51bis.1(a)(vi)).

2. As to indications concerning the **applicant\*** who is entitled, according to Rule 19.1, to file the international application with the receiving Office, the request (Rules 4.4, 4.5 and 26.2bis(b)):
- does not properly indicate the applicant's name (*specify*):  
**O nome do requerente/inventor está incompleto no RO/101. A assinatura eletrônica do inventor apresentada na declaração de autoria de invenção está divergente do nome apresentado como inventor.**
  - does not indicate the applicant's address.
  - does not properly indicate the applicant's address (*specify*):
  - does not indicate the applicant's nationality.
  - does not indicate the applicant's residence.
- Further observations about indications concerning other applicants (if applicable):

\* Although Rules 4.4 and 4.5 require indications concerning the applicant, or if there are several applicants, of each of them, for the purposes of Article 14(1)(a)(ii), if there is more than one applicant, it shall be sufficient that the indications required under Rule 4.5(a)(ii) and (iii) be provided in respect of one of them who is entitled according to Rule 19.1 to file the international application with the receiving Office (Rule 26.2bis(b)).

However, the applicant's attention is drawn to the fact that the national law applied by each designated Office may require, in connection with the processing of the international application in the national phase, that the applicant furnish any missing indication required under Rule 4.5(a)(ii) and (iii) in respect of any applicant for the designated State (Rule 51bis.1(a)(vii)).

3. As to the **language** of certain elements of the international application, other than the description and claims (Rules 12.1(c) and 26.3ter(a) and (c)):
- the **request** is not in a language of publication accepted by this receiving Office; (the) language(s) accepted by this receiving Office is/are:
  - the **text matter of the drawings** is not in the language in which the international application is to be published, which is:
  - the **abstract** is not in the language in which the international application is to be published, which is:
4. The **title** of the invention:
- is not indicated in Box No. I of the request (Rule 4.1(a)).
  - is not indicated at the top of the first sheet of the description (Rule 5.1(a)).
  - as appearing in Box No. I of the request is not identical with the title heading the description (Rule 5.1(a)).

**The receiving Office has found the following defects in the international application as filed:**

5. As to the **abstract** (Rules 8 and 26.1(b)):

the international application does not contain an abstract.
