2. COMMUNICATION:

The International Bureau acknowledges receipt, on 15 May 2018 (15.05.2018), of substitute sheet(s) for the Description, Claims, Abstract, Drawings, which have been stamped by the receiving Office (RO/BR) as "SUBSTITUTE SHEET (RULE 26)" and date stamped 14 May 2018 (14.05.2018).

The receiving Office (RO/BR) is hereby informed that

- the Description and Claims substitute sheets have not been entered as originally filed and transmitted to the International Bureau, have the same quality;
- the Drawings substitute sheets have not been entered as originally filed and transmitted to the International Bureau, have better quality;
- the Abstract is returned to the receiving office (RO/BR) as the text is different from the original filled.

The applicant's attention is drawn to the fact that the defects under PCT Rule 11 (as outlined in Form PCT/RO/106 pertaining to one or more of the following: sheet size, margins, size/position/omission of the file reference number, pagination and position of sheet numbers, photocopy marks of the sheets of the text and drawings) will be corrected by the International Bureau at the time of technical preparations for the international publication, in such a way that the sheets will comply with PCT Rule 11.
