This is in reply to the communication regarding the invitation to correct deficiencies issued by the EPO on October 26, 2018 in connection with the international PCT application identified above.

We herewith file amended figures 3, 4A, 5 and 7 wherein the readability of the text/scale numbers has been improved as per your instruction. In particular, figure 3 has been placed on a single sheet.

We declare that the content of the corrected drawings is identical to the replaced drawings as originally filed.

Very truly yours,

Dr. Christian Kilger
