2. COMMUNICATION:

The International Bureau acknowledges receipt of your request to obtain the priority document US, 62/543,154 09 Aug. 2017 (09.08.2017) from the DAS digital library on 08 Aug. 2018 (08.08.2018). However the DAS digital library system indicates that the requested priority document is not registered in the system.

This is a two stage process:

First, request the depositing Office to register the earlier application in DAS. The exact means of doing this will depend on the requirements of that particular Office. See the DAS home page at <http://www.wipo.int/das/en/> and the PCT Applicant's Guide, Annex B

<http://www.wipo.int/pct/en/appguide/index.jsp> of the DAS depositing Office for further indications of the procedure to be followed. You will then receive a DAS access code relating to that application, unless it has already been supplied to the applicant as part of a filing receipt, as is the practice of some depositing Offices.

The second step is to provide the DAS access code to the International Bureau. You may provide the access code by typing it directly into the ePCT online Action 'Obtain priority document from DAS' (sign-in with strong authentication required) at <https://pct.wipo.int/ePCT>, or in the form of a letter, preferably uploaded via ePCT.
