2. COMMUNICATION:

The International Bureau acknowledges receipt of a request for a change under PCT Rule 92bis, on 01 March 2019 (01.03.2019).

However, the requested change cannot be entered into the record copy, since it was not signed by an authorized person according to the PCT.

Please be advised that a request for a change must be signed by a person having the right to represent the applicant(s) of the international application e.g. the agent of record i.e. or by the applicant who is deemed to be the common representative (Rule 90.2(b)) (that is, the first-mentioned applicant in Form PCT/RO/101 who is entitled to file with the receiving Office), i.e. THYSSENKRUPP PRESTA AG.

The applicant is therefore invited to correct the defect by resubmitting a request for a change signed by an authorized person within the prescribed time limit under PCT Rule 92bis, or within one month from the date of mailing of this invitation, whichever time limit expires later.
