Dear Sirs

International Patent Application No PCT/EP2018/073643
The Provost, Fellows, Foundation Scholars, and the other members of Board, of the
College of the Holy & Undivided Trinity of Queen Elizabeth, near Dublin
IP Title: Retinal Promoter and Uses Thereof

We are responding to the Invitation to Correct Defects in the drawings dated 19 September 2018.

Attached are replacement sheets 1/33 - 33/33 of the drawings to replace without prejudice sheets 1/30 - 30/30 of the drawings as originally filed.

In accordance with the Invitation, the drawings have been amended such that Figure 7 contains numbers and letters of height of at least 0.32 cm and to ensure that each continuation page of a figure recites the Figure number and "continued". No new matter has been added.

It is believed that the amended sheets remedy the defects referred to in the Invitation. However, should there be any outstanding objections, please do not hesitate to notify the undersigned.

Yours faithfully
for Murgitroyd & Company

/ Malcolm C. Main /
