PCT/AT2018/060095

Box No. II Observations where certain claims were found unsearchable (Continuation of item 2 of first sheet)

This international search report has not been established in respect of certain claims under Article 17(2)(a) for the following reasons:

1. Claims Nos.: **9-16**
because they relate to subject matter not required to be searched by this Authority, namely:

The method for training the deliberate control of parts of the body of a test person according to claims 9 to 16 can certainly be used in the treatment of functional disorders of these parts of the body by therapy, and consequently also relates to a therapeutic method in respect of which the International Searching Authority is not obliged to carry out an international search, pursuant to PCT Rule 39.1.
2. Claims Nos.:
because they relate to parts of the international application that do not comply with the prescribed requirements to such an extent that no meaningful international search can be carried out, specifically:
3. Claims Nos.:
because they are dependent claims and are not drafted in accordance with the second and third sentences of Rule 6.4(a).
