International application No. PCT/EP2018/076397  
Applicant: Seco-E.P.B.

---

With reference to the INVITATION TO CORRECT DEFECTS IN THE INTERNATIONAL APPLICATION (PCT Articles 3(4)(i) and 14(1) and Rule 26), bearing a date of mailing 05.10.2018, we hereby submit new drawing pages 1-7 to replace all drawing pages presently on file.

Following changes are done:

Figure 1: The figure is enlarged.

Figure 2: The figure is enlarged.

Figure 3-10: The blackness and thickness uniformity of the lines are improved.

Figure 11-13: No changes.

Nothing is added to the figures and nothing is removed from the figures.

**Request**

Should the examiner find that the drawings are still not in proper order, we would appreciate if a new invitation to correct defects could be issued.

Yours faithfully,

Amil Oprasic
