Subject: PCT Direct letter
Informal comments to EESR prepared for EP Priority Application No. 18208986.2 for use with new PCT application

Following the Communication of 08.07.2019 of the European Patent Office enclosing the extended European search report (EESR) for the above mentioned priority application, the applicant files the enclosed international patent application claiming the priority date of the subject priority application.

The international patent application corresponds to the subject priority application, for which a fully positive opinion on the patentability is mentioned in the EESR.

Yours faithfully,
Philips International B.V.
Intellectual Property & Standards
