2. COMMUNICATION:

The applicant's attention is drawn to the fact that the request form should contain indications concerning the inventor(s) since the national laws in several designated States require that the name of the inventor(s) be furnished at the time of filing of an international application (PCT Rule 4.1(a)(iv)).

Should the applicant wish to indicate an inventor, a request under PCT Rule 92bis should be filed with the International Bureau or the receiving Office.
