ePCT Message:

Dear Madam or Sir, due to a clerical error we were provided with an incorrect DAS code (2650) for the priority document US 62/774,974 filed 4 December 2018. The correct DAS code which has been now provided to us by our Associate for this priority document is 9350. We are unable to update the DAS code in ePCT at our end; would you be able to please add this code to PCT/AU2019/051325 (FB Rice ref. 524787PCT)? We look forward to receiving confirmation as soon as possible.
